Jake Pratley

Jake Pratley currently oversees faculty and content development for the English MBA programs at GLOBIS University. In his decade-long experience in the education sector, he has played leading roles in global expansion and diversification for various products and services. He has led diverse teams, launched new products, and developed strategic partnerships with business, diplomatic, and educational institutions in Japan and worldwide.

In his prior role as head of student recruitment, Jake oversaw record growth of the English MBA programs at GLOBIS University, restructured strategies to adapt to the COVID-19 pandemic, and played a leading role in the successful launch of the Online MBA. Prior to this, he worked in public relations for a professional soccer club in Australia.

Jake holds a bachelor’s degree in journalism from the University of Queensland and an MBA from GLOBIS University, graduating with the Award for Academic Excellence in 2017.

Alumni in Thailand

Kantapol Manaspon

Fund Manager, Tech Corporate Venture Capital

“While working and raising a family in Thailand, I started with a few Pre-MBA courses first before finally decided to move into the Part-time Online MBA at GLOBIS. GLOBIS has provided me with the business knowledge, entrepreneurial mindset, and dynamic network to transform myself from being an engineer to being a business professionals confident in assessing tech startups”

Transform Yourself with the Pre-MBA

The Pre-MBA program offers practical business courses taught entirely in English over the course of 3 months

- It covers the fundamentals of business administration such as strategy, marketing, leadership, accounting, finance, and more
- Participants analyze corporate issues described in business cases and discuss solutions in an interactive learning environment
- Certificates are offered for the non-degree courses upon successful completion of each subject

Founder's Message

"We are very excited to expand our presence in Thailand with our Pre-MBA courses in the hybrid format. Our mission has always been to pave the way for change and innovation. We do this by connecting our three core pillars: people, capital, and knowledge to foster the business ecosystem and support visionary leaders. Maintaining these pillars is what we envisioned when we founded a venture capital firm, a publishing company, and, of course, our business school."

Yoshito Hori

Founder & President of GLOBIS Corporation
President, Graduate School of Management,
GLOBIS University

Since January 2021, we have conducted more than 30 course sessions, CEO seminars and networking events. Regardless of the COVID-19 situation in Thailand, GLOBIS encourages the never-stop-learning self development experience by offering appropriate learning formats either entirely online or in the hybrid format.
