Alumni in Thailand

Kantapol Manaspon

Fund Manager, Tech Corporate Venture Capital

“While working and raising a family in Thailand, I started with a few Pre-MBA courses first before finally decided to move into the Part-time Online MBA at GLOBIS. GLOBIS has provided me with the business knowledge, entrepreneurial mindset, and dynamic network to transform myself from being an engineer to being a business professionals confident in assessing tech startups”

Transform Yourself with the Pre-MBA

The Pre-MBA program offers practical business courses taught entirely in English over the course of 3 months

- It covers the fundamentals of business administration such as strategy, marketing, leadership, accounting, finance, and more
- Participants analyze corporate issues described in business cases and discuss solutions in an interactive learning environment
- Certificates are offered for the non-degree courses upon successful completion of each subject

Founder's Message

"We are very excited to expand our presence in Thailand with our Pre-MBA courses in the hybrid format. Our mission has always been to pave the way for change and innovation. We do this by connecting our three core pillars: people, capital, and knowledge to foster the business ecosystem and support visionary leaders. Maintaining these pillars is what we envisioned when we founded a venture capital firm, a publishing company, and, of course, our business school."

Yoshito Hori

Founder & President of GLOBIS Corporation
President, Graduate School of Management,
GLOBIS University

Since January 2021, we have hosted more than 30 course sessions, CEO seminars, and networking events. We are dedicated to building a vibrant local community in Thailand and opening doors to global opportunities, empowering leaders to grow, connect and thrive in a changing world.
